**18.40**

### Europe in the Global Economy – Current outlook and future trends

- Presentation in English by **Jacob Warburg**, Chief Consultant at The Trade Council

Working at the Trade Council, which is part of the Danish Ministry of foreign affairs, Jacob has an excellent insight in **international trade policy**. His presentation will show the current situation as well as future trends in economic growth from a **global and European perspective**. There will be special focus on topics such as **inflation** and **monetary policy**, development of the **oil prices** and **global challenges** like climate change, health and debt. From the European point of view, Jacob will talk about **economic development, stability and future prospects** for Europe, especially emphasising on the role of Germany and Scandinavia.

After the presentation: Get Together with drinks and snacks

We would like to thank **Nordea Private Banking** for their kind support.
